SUMIA KHAN

FULL STACK WEB DEVELOPER
Fresher

PROFESSIONAL SUMMARY

Aspiring web developer with a good foundation in web technologies gained through my Bachelor's degree and a full 18 months web developer course from Intellipaat and self study. Proficient in HTML, CSS, and JavaScript, with hands-on experience in building projects showcasing front-end and back-end development skills. A quick learner with a passion for staying abreast of the latest industry trends. Eager to contribute to dynamic projects, leveraging my problem-solving skills and creativity. Excited about the opportunity to apply my knowledge in a professional setting and learn from experienced developers.
